

‘Mission Critical’ I.T. SolutionsTM

Business Overview & Capabilities

CULTURE

WE...

- Care equally for our customers and employees
- Invest in technologies and people to sustain growth
- Acquire the management & technical skills to establish and build IT solutions meeting our customers requirements
- Build on our core competencies for long-term sustainability
- Leverage relationships with clients and like-minded businesses to consistently win contracts
- Provide profitable, sustainable long-term growth for our shareholders
- Support the communities in which we do business
- Go the extra mile

CORPORATE STRENGTHS

'Mission Critical' I.T. Solutions™

HISTORY: SofiaITC was incorporated in 2012 as an I.T. Solutions provider by Mr. James Quilty following 21 years of combined Military Intelligence service in the US Army and Federal I.T. Contractor.

DUNS: 07-8439124 **CAGE Code:** 6QHS8

MANAGEMENT: SofiaITC's corporate structure allows each Program Manager (PM) to communicate directly with executive staff allowing PMs to focus on providing excellent customer service.

QUALITY ASSURANCE: SofiaITC follows the CMMI (Capability Maturity Model Integration) process and models its business practices after these best practices to ensure corporate effectiveness and integrity.

ADMINISTRATION AND COST CONTROL: SofiaITC uses appropriate accounting applications for project control and our finances are independently audited to ensure fidelity of financial management.

ORGANIZATIONAL DEPTH: In addition to hiring talented employees, SofiaITC has a highly skilled executive staff and retains independent consultants in multiple business disciplines to readily respond to customer needs.

CERTIFICATIONS:

CORE COMPETENCIES

IT OPERATIONS, ADMINISTRATION & MAINTENANCE

Provide expert OA&M Processes, Activities, Tools, and Standards from Service Desk to Engineering in line with Business needs and SLA requirements.

IT PORTFOLIO MANAGEMENT

Analyze the entire enterprise to identify IT assets and capitalize on current investments for maximum results. Consultants are ITIL v3 Foundations Certified

PROGRAM & PROJECT MANAGEMENT

Proven experience in governance, alignment, management, planning, finances, integration, and improvement; on time and under budget. Consultants are PMP Certified.

STRATEGIC LEADERSHIP & PLANNING

Analyze an Organization's current strengths and weaknesses, personal values of management, industry opportunities/threats, and societal expectations; mobilize the resources to achieve the goal.

CYBERSECURITY

Proven Confidentiality, Integrity, and Availability (CIA) implementation of user data through physical, technical, and administrative controls. Consultants CISSP and/or higher Certified.

RESEARCH & DEVELOPMENT/TRAINING & CONSULTATION

Provide innovative R&D technology solutions, Training and Management consulting, to strategic business leaders and their staff in Mission Critical scenarios.
